Date: 3/13/15

Are you interested in developing training and support for District 25 families? Do you have a passion for sharing what you know? Do you have a vision of what all parents should know? The Department of Student Services is looking for participation in a committee that looks at exactly that.

Do you have a student who:

*Receives RtI services?
*Has an IEP?
*Has a 504 plan?

Do you educate one of these students? You may want to be part of this committee.

Our first committee meeting will be Wednesday April 22 at 1:00PM at South Middle School.

Please contact Keshia Gipson by e-mail kgipson@sd25.org or phone 847-398-4250 by April 9th.

We look forward to meeting you.

Sincerely,
