

Math Contest for 2nd & 3rd Graders

October 22, 2014

Dear Parents,

This year, 2nd and 3rd grade Patton students will have the exciting opportunity to participate in the Noetic Learning Math Contest. This contest is open to all students in grades 2 and 3.

The Noetic Learning Math Contest is a biannual math problem-solving contest for elementary students. The goal of the competition is to *encourage interest in math, develop problem-solving skills, and inspire students to excel in math*. During the contest, students will be given 45 minutes to solve 20 problems. The problems are designed to challenge students and to enrich their problem solving experiences. What a great opportunity for students!

There will be 2 contests throughout the year. We will hold 1 practice session prior to the first contest. All contests and practice sessions will occur during the lunch-recess hour.

Practice Dates:

- Tuesday, November 4th (for 2nd grade)
- Thursday, November 6th (for 3rd grade)

Contest 1:

- Thursday, November 13th (for 2nd grade)
- Friday, November 14th (for 3rd grade)

Contest 2:

- Thursday, April 2nd (for 2nd grade)
- Wednesday, April 8th (for 3rd grade)

Contest applicants will be expected to participate in all of the above applicable dates. There is no cost for participating.

If your child would like to participate in this fun and challenging math experience, please return the attached registration form to Ms. Maksymec (Mak) - Room 253 **by Tuesday, October 28th**. We are looking forward to this opportunity for our 2nd and 3rd grade Patton Panthers! If you have any questions, please don't hesitate to contact us (kmaksymec@sd25.org).

Sincerely,

Ms. Maksymec (Mak) & Mrs. Cioni

2nd & 3rd Grade Noetic Learning Math Contest

____ I would like to participate in the Noetic Learning Math Contests.

Child's Name _____

Grade _____

Homeroom Teacher _____

Please return this form to Ms. MaKsymec (MaK) – Room 253
by Tuesday, October 28th.
