

Calling all first and second graders! How would you like to go on an incredible journey with Amazing Minds after school? Explore topics such as countries near and far, land and water animals, rocks and minerals, and stormy weather. (Topics change each session). Build rock collections, excavate Ancient Egyptian tombs, and shop in a simulated grocery store. Learn to use tools that help you solve problems such as calculators, magnifying glasses, microscopes, tape measures and geology kits. Engage in science experiments where you dissect owl pellets, wear prism glasses, and make raisins bounce. Top it all off with exciting topic related take home prizes such as an Australian boomerang. Come and exercise your brain with us after school!

\*New Session Topics: **Animal Kingdom**, **Washington D.C.** and **Save the Earth**

Now Available-Online Registration at: **MYAMAZINGMINDS**
