ARLINGTON HEIGHTS SCHOOL DISTRICT 25

In the unfortunate event that an emergency or crisis situation occurs in our area during the school day, we want you to know that Patton Elementary School is prepared. With the help of the Arlington Heights Fire and Police Departments, we have designed a Standardized School Crisis Plan that will assist us in effectively responding to these types of situations.

While your natural instinct as a parent in an emergency is to go to your child's school to safeguard him/her, please understand that doing so may significantly impede our response capabilities as well as those of our local emergency responders. It is vital that school officials and the Police and Fire Departments have access to our buildings to manage the situation and give care to students. In addition, it may be necessary to evacuate students to another location if there is immediate danger.

In an emergency or crisis situation, we need your cooperation and assistance and ask that you please follow the guidelines below:

- In the event of a crisis that requires an evacuation/relocation of students, contact (847) 758-4900 for information. In all other emergency situations, contact (847) 398-4288.
- Tune to major local television and radio stations for information on the situation and instructions on how to reunite with your child. In some emergency or crisis situations, it may be necessary to relocate to another facility for safety reasons. **Your designated reunification site is St. Peter's Lutheran School located at 111 W. Olive Street in Arlington Heights.**
- When you travel to the reunification site, please be sure to bring picture identification. We will only release students to their legal guardians, or the authorized individuals as listed on your child's emergency forms.

We thank you for your cooperation in this matter. Our ultimate goal is to keep your children safe while they are under our care.

Sincerely,

Lori D. Bein  
Superintendent
