

AMAZING MINDS: 1 day Workshop **For Kindergartners only!**

Come get a "taste" of Amazing Minds!

Does your child love to learn? This workshop will give your children the opportunity to see what exciting, educational activities Amazing Minds, an after school enrichment program for 1st-2nd graders has to offer! Amazing Minds (at Patton since 2010) offers a variety of interactive topics that will expand your child's knowledge of the world. For example your child may become a junior geologist and explore the world of rocks & minerals, investigate owl pellets, or find out how to make raisins bounce through interactive games and scientific experiments. Or learn about rare Australian animals, sharks, whales and dolphins or other animals in the animal kingdom. Perhaps excavate hidden treasures from an ancient Egyptian tomb, or sample ethnic cuisine from China or Italy. Come explore this can't miss workshop!

Dates: Wednesday May 27th

Registration deadline: Monday May 25th

Time: 3:35-4:35pm at Patton

Payment: \$15. Please complete, detach and enclose the registration form below. Make check payable to **Amazing Minds 2** and mail to Lisa Weiss-2577 Talia Lane, Northbrook, IL 60062. Email confirmations will be sent.
