

The Patton Student Council is working with the Make-A-Wish Foundation® of Illinois to make a difference in the lives of children with life-threatening medical conditions. You can help share the power of the wish by sponsoring one of our Patton students in our Make-A-Wish Walk-A-Thon. Our walkers are looking for pledges of any amount and our proceeds will benefit the Make-A-Wish Foundation. You can either pledge an amount per lap or simply pledge a flat amount. Our walkers will collect your donation after the May 16th walk. Checks should be made payable to "Patton School". Thank you for your support!
