Sample Student Wish-List

The little Mermaid

Character Wish List

Please list below, in **ranking order**, the characters from *The Little Mermaid* that you would like to play in our musical production. It is important that you list the character you are most interested in as #1, and so on. *For example, if you would like to have the role of Sebastian the most, that character should be listed as your #1 choice.*

Some Food for Thought:

- Remember, if you want to be a member of the Stage, Lighting, or Sound Crew you must audition for at least one part. *If Stage Crew is your top choice, make sure it is put in the #1 slot.*
- If you want a character that does not have an audition day (Like Scuttle), please plan on attending at least one other audition.
- If the character/characters you want do not have an audition day, please make sure that you write them on your wish list.
- GO FOR IT! Audition for as many characters as you can! The more time you spend on the stage, the better you will be while auditioning!

Sample Speaking Part Auditions

KING TRITON

(Interrupting...Growing angrier)

Contact between the human-world and the mer-world is strictly forbidden. Ariel, you know that!
Everyone knows that!

ARIEL

He would have died!

KING TRITON

One less human to worry about!

ARIEL

You don't even know him!

KING TRITON

Know him? I don't have to know him! They're all the same...spineless, savage, harpooning fish eaters who are incapable-

ARIEL

(Interrupting)

Daddy, I love him!

(Ariel realizes what she has said and gasps)

KING TRITON

No! Have you lost your senses completely? He's a human...you're a mermaid!

ARIEL

I don't care!

KING TRITON

So help me Ariel, I going to get through to you and if this is the only way... So be it!
