

# Room Representatives 2014-2015

A Room Rep is a parent who volunteers to help with your child's classroom activities. There are 2 reps assigned to each classroom. Some of the responsibilities include: helping your teacher plan and participate in holiday parties, coordinating Family Nights (K-1st grade), and getting volunteers for other classroom needs.

If you're interested in becoming a Room Rep for the 2014/2015 school year, please complete the form below and return it to the Patton School Office by **June 5, 2014**. Specify in order which child you wish to be a Room Rep for. If your first choice is unavailable, you may be needed for your other choices.

Forms will be pulled by lottery when class lists are available in August. You will be notified in the fall if your name has been drawn.
