

This is your chance to teach your peers, teachers, and the community about how YOU use technology. You can be the teacher!

**FREE FAMILY  
EVENT!**

# TEACHNOLOGY FAIR

**For K-8 @ TMS | 3.9.2016**

**This event is brought to you by SD25 and the  
Arlington Heights Council of PTAs**

**Reserve your spot today! Registration is open to  
presenters, participants, and volunteers.**

As a presenter, share what you know about: Google, Coding, Minecraft, Photo Editing, Drones, Website Tools, Photography, Film Making, Sewing Machines, Scratch, Makey Makey, and more! It's all up to you!

As a volunteer, you can help run the event! We need you!!

As a participant, please come and learn about all of these wonderful technology tools! You'll be amazed what you will learn!

**Sign-up by 2.1.16 to secure your registration**
